Inferno Red

The Inferno Red décor features bold red accents mixed with black vinyl and grey cabinetry. The fully furnished kitchen and walk-around bed make this a great multi-purpose unit.

Comfortable sofa by day.

Spacious bed by night.

Plenty of room for your toys while traveling.

You won't find more value in a lightweight SURV. The full electronics package features a Sony X-plod stereo with I-Pod direct hookup and cradle. The chrome amplifier powers the interior speakers and subwoofer. Also shown is the petroleum-resistant flooring and the high-capacity D-ring tiedowns bolted through the frame.

XT200 Inferno Red

Our ever popular XT200 features two spacious fold-up sofas and picnic style table. You'll love the open feel of the kitchen with the radius countertop and stainless steel double bowl sink. Sit back and relax watching your favorites on the optional LCD/DVD combination TV.

Tri-Fold Powerbed

Flip the sofa up and take in the view out the open cargo door.

Flipped into the coach, the powerbed gives you plenty of additional seating.

At night, fold the sofas down and enjoy a good night's sleep on the queen size bed.

Desert Stone

For those desiring a softer, more elegant look, the Desert Stone has it all. Maple cabinetry and the sandstone décor match perfectly with the stainless steel look.

Shown is the popular 15" LCD/DVD combination flatscreen TV. It's viewable from all angles with the swing arm bracket.
